

ZARA FAMILY OF MERINO YARNS

All merinos are not created equal.
To the merino connoisseur there is only one country - Italy.
To the merino handknitter there is only one name - ZARA.

Filatura Di Crosa has set the bar so high with its ZARA family of yarns that today, after more than 20 years, it stands head and shoulders above the competition.

THE ZARA FAMILY OF MERINOS PROVIDES YOU WITH:

- The coveted **Woolmark** symbol on the label guarantees the highest quality. With generations of experience in spinning and finishing precious fibers, Filatura Di Crosa selects only the finest micron merino to create a soft yet durable yarn.
- **Easy-care**. The finishing **superwash** treatment leaves these precious fibers even more soft and cashmere-like, yet your finished garment can stand up to multiple machine washings.
- An extensive range of over **90 colors** created in the country where a sophisticated color sense is a birthright.
